"Red Pepper Spray" is an ideal defense against attackers, rendering them harmless. Ideal for ladies, students, and guards, this maximum-strength pepper gas stops any attackers up to 8 feet away for 10 to 15 minutes or longer. Spraying an attacker in the face causes eyes to involuntarily shut, uncontrollable coughing, breathing difficulty, and an acute burning sensation. The spray also contains an ultraviolet identification that aids police in suspect identification. Available in a leather pouch with a key ring, this product is easy to use,
